VI. RELEASE OF TRAVEL DOCUMENTS

- Schedule of releasing of travel documents such as electronic ticket, hotel voucher, arrival instructions, travel insurance (if applicable) etc. will be set by the Travel agent.

VII. AIRLINE TRANSPORT

- Airline tickets are highly restrictive, non-refundable, and non-transferable. Modification of passenger names, dates, times, routings, or departure/arrival airports is at the sole discretion of the airline and, if permitted, will likely be subject to a substantial change fee. Passenger is responsible for any such fees. With regard to the purchase of air tickets, Travbest Travel & Tours Co. acts simply as an intermediary between you and the airline. Once you book a reservation, your credit card or debit card will be charged for the amount shown – regardless of whether or not the reservation is used. Credit will not be given for any unused airline tickets and cannot be used toward any future bookings.
- All tickets will be issued for economy class unless otherwise specified. All travel will be round-trip unless otherwise specified. Seat assignments are subject to the airlines policies and may not be able to be made until you are at the airport on the day of departure. Airline tickets booked through Travbest may not be eligible to earn frequent flyer miles. You agree to confirm all bookings with the airline prior to the stated date of departure (Travbest recommends confirming 72 hours prior).

- Direct flights may be “non-stop” or may involve one or more stop-overs (in the latter case this means the same flight by the airline, because the flight number remains the same). The same applies to connecting flights that may be subject to crew changes. When you reserve a scheduled or charter flight involving a stop-over in a town, and the second flight takes off from a different airport to the airport of arrival, ensure that you have sufficient time for reaching the second airport. The journey to the other airport is at your own expense. Travbest will not be able to reimburse you for these costs, nor will it be liable if you miss the second flight.
- Travbest Travel & Tours Co. responsibilities in respect to air travel are limited by the relevant airline’s conditions of carriage. The airline fulfilling your contract for carriage may change from the airline mentioned by Travbest. Travbest is not able to specify the type of aircraft to be used by any airline. If an airline cancels or delays a flight, you must work directly with the airline to ensure you arrive at your destination on or ahead of time. Travbest will not provide any refund for Trips missed, in part or full.

VIII. BOOKING AMMENDMENTS

- If traveler wishes to transfer the deposit fee to other tour package or transfer the deposit fee to another person, TRAVBEST Travel will permit such amendments provided that:
 - ✓ Ticket has not been issued yet
 - ✓ If joining consolidated group tour, transfer of deposit to other tour package or destination should be done at least one month before departure date.
 - ✓ Such amendments are not allowed once booking is already finalized.
